2 Minutes of the last AGM

Minutes of last year's meeting were agreed

3 Chairman's Report

The Chairman reported that the club was in a healthy state and had had a good all round season last year. The club had been promoted to Division VI in the SWCCL league. Andy Plank and Sally Osborne had made a successful appeal against a deduction of points by the League's Management Committee.

The weather had not been kind but those games played had been fun and all the friendly sides wanted to come back this year.

A full fixture list is already in place for the 2008 season

Substantial progress had been made with the erection of the new pavilion.

The club has use of a new tractor.

Good reports had been received about the condition of the ground and the pitch and he gave thanks to all those who had helped at the ground. Currently there are lambs on the pitch to keep the grass down.

ACCC have an excellent junior section with about 45 keen juniors; the Chairman gave thanks to Adrian Goodall and his helpers for their coaching and inspiration. He confirmed that the committee were keen to find some junior match managers for this year. The club committee are also keen to get some occasional professional coaches in to teach the juniors this year.

The Wiltshire Ladies team had practised at the ground, and together with some promotional targeting to encourage girls, had resulted in several girls joining the club. They had attended some girls only coaching and some mixed coaching sessions.

Help is needed prior to the start of this season to finish the pavilion and also to clear away the old pavilion. Working party days will be arranged and club members will be informed of the dates.

Thanks to Charles and Sally Osborne for signing a new 5 year lease with the Club.

Postcards of the cricket team playing had been produced to raise funds; many thanks to Mark Lawrence for making this possible.

The format of the Dinner and Presentations evening would be considered for next year to make it more appealing to the club members. Any fresh ideas would be welcome together with any thoughts on improving the club as a whole.

4 Treasurer's Report

Presented by A Saye. Finances are healthy with resources up by £3500 this year, which means we can finish the pavilion. However, if we have any other major expenditure then we need to carry out some major fund raising; any ideas would be gratefully received. Thanks to Andy Plank for collecting all the match fees, to Nick Miedzianowski-Sinclair for excellent VP work and to all who donated generously.

5 Election of Officers

All officers offered themselves for re-election and were duly re-elected

New committee members Andrew Legg and Chris Bailey were nominated to join the committee and were duly elected.

6 ANY OTHER BUSINESS

Mrs Sheila Mansell asked for tea volunteers, particularly for the Saturday League games. Please contact her if you can help

The Chairman will co-ordinate the Club Development Plan which had to be produced in order to gain Clubmark status and hopefully access to grants.
